

SUMMER TENNIS CAMP 2021

The below guidelines are in line with coronavirus advice from the Lawn Tennis Association most recent advice and in line with general government guidelines for social distancing. Please do not hesitate to contact us if you are concerned about any point either before or once the groups commence.

Pre-Attendance Symptom Check

No-one should leave home to participate in tennis if they, or someone they live with, has symptoms of COVID - 19, currently recognised as any of: - A high temperature - A new, continuous cough - A loss of, or change to, their sense of smell or taste n Should an individual have demonstrated any such symptoms, they must follow NHS and PHE guidance on self-isolation.

Venue

- There is now access to the toilet, however, there is no access to the rest of the clubhouse for non-members and therefore no spectating or changing is possible in this area. We feel this is a necessary step due to the limited space in the clubhouse as this makes it a safety concern. Access to the clubhouse requires a mask to be worn.
- Hand sanitiser will be available at the gate but ideally parents will also provide. It is important that hand sanitiser is applied before and after each lesson as the balls are used by multiple groups.

The Coaching

The children will be instructed on social distancing with other players and the coach at the start of their session. They will also be asked to avoid touching their face.

- Drills will be adapted to allow social distancing and will be explained when necessary.

Equipment

- Children will also be instructed not to touch the net or other fixings and cones etc and asked to re sanitise if they do.

Parents/other children

- When dropping off and picking up parents are asked to follow current government advice regarding social distancing. We therefore respectfully request parents to spectate from their cars or surrounding grass areas. **Generally spectators are not allowed by the LTA guidelines and only one parent/guardian may be present.**
